Recognizing National Mosquito Control Awareness Week

Whereas, the American Mosquito Control Association declared the week of June 15 through June 21, 2025, as National Mosquito Control Awareness Week; and

Whereas, mosquitoes and other vectors spread diseases such as West Nile Virus, Dengue Virus, and Malaria, reduce enjoyment of outdoor recreation, and hinder outdoor work; and

Whereas, the San Mateo County Mosquito and Vector Control District collaborates with other agencies to safeguard the health and comfort of people in San Mateo County through a science-based program of integrated vector management; and

Whereas, National Mosquito Control Awareness Week will increase public awareness, encourage the public to take action in preventing mosquito-transmitted diseases, and highlight the activities of the various mosquito and vector research and control agencies working to minimize mosquito-related health threats.

Now therefore, I, Peter Stevenson, Mayor of the City of Burlingame, do hereby recognize the week of June 15 through June 21, 2025 as National Mosquito Control Awareness Week in Burlingame.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Burlingame to be affixed this 16th day of June, 2025.

Peter Stevenson, Mayor
