AGENDA ITEM NO: 7.c

MEETING DATE: January 8, 2026

**To: Traffic Safety and Parking Commission**

**Date: January 8, 2026**

**From: Andrew Wong, Senior Engineer – (650) 558-7230**

**Subject: Engineering Division Reports/Public Works Update**

---

## **RECOMMENDATION**

Staff recommends that the Commission receive an update on various Public Works – Engineering projects and activities.

## **BACKGROUND**

- **El Camino Real Renewal** – Stage 1 of project begins January 8th and 12th with traffic control for potholing and tree removal operations:

Tree removal and road closures (northbound)  
Drainage work (southbound)  
Potholing (various locations)

Potholing should be able to continue even with rain or impacts from the rain. The above operations expected to continue until May 2026.

## **DISCUSSION**

Some of these items may have been originally presented to City staff and/or the Traffic Safety and Parking Commission as public requests or comments. Items on this list are matters that would typically be addressed by City staff on an administrative level or are City Capital Improvement Projects. Matters that require broad public input or have a wide-spread impact are addressed as Commission “Discussion/Action Items” (TSPC Agenda Item 6).
