Subject: Re: 1123 Lincoln Ave

Hello Erika --

I just wanted to confirm the below. It would be great if the planting of an appropriate-sized tree in the location below could be noted as a condition of approval, for the mutual benefit of both our houses. Other than that one item, we have no objections to the project and wish our neighbors well with their project.

I do not plan to attend the meeting tonight. Thanks for your help!

Best,
John

My husband and I have met with our neighbor John Gouws of ----- Juanita Ave to discuss placement of trees for privacy. We came to an agreement to add a birch tree to the open area along the back fence. Please find the attached document, where the location and species is noted and signed by both parties.
