

1

Meeting Goals

- Present the TSPC with a potential concept for California Drive between south of Oak Grove Avenue
- This concept will be used to obtain feedback regarding the project
- Obtain TSPC feedback regarding the potential concept
- Obtain feedback regarding community outreach

2

Background

- Burlingame applied for and received Measure A & W funding for the California Drive Class I Bicycle and Pedestrian Improvement Project. This project consists of the construction of 0.4 miles of a Class I shared use bicycle and pedestrian path along California Drive, between Oak Grove Avenue and Burlingame Avenue. This project will enhance north/south connectivity and closing one of the major gaps in the “backbone” of the San Mateo County bicycle network. Additionally it will enhance the safety, comfort, and attractiveness for users of all ages and abilities.

- Project Amount \$1,800,000
 - Grant Amount \$1,620,000
 - Matching Funds \$180,000

Table 12: Bicycle Project Priority Points

Street	Start	End	Bikeway Class	Total Points	Imp. Category
California Dr	Oak Grove Ave	Howard Ave	Class IV	8.5	Short Term Project
California Dr	Carmelita Ave	Oak Grove Ave	Class IV	8.5	Short Term Project
California Dr	Broadway	Carmelita Ave	Class IV	8.5	Short Term Project
California Dr	Howard Ave	Peninsula Ave	Class II	8.5	Short Term Project
Carmelita/Paloma Neighborhood Bike Route Group			Class IIIB	8	Short Term Project
Oak Grove (east)/Twilight
