

STAFF REPORT

AGENDA ITEM NO: 7.a

MEETING DATE: February 14, 2019

To: Traffic Safety and Parking Commission

Date: February 14, 2019

From: Andrew Wong, Senior Engineer

Subject: Engineering Division Reports/Public Works Update

RECOMMENDATION

Staff recommends that the Commission receive a presentation by staff providing an update on various Public Works – Engineering projects and activities.

BACKGROUND

- **California Drive Roundabout** – Stage 4 (Final Phase) of the project has started. Contractor will be working towards completing the irrigation/landscaping and repaving and re-striping the roadway. The repaving has been delayed due to the cold weather. Residents can find additional information on the project website: <http://www.burlingame.org/roundabout>.
- **Lyon-Hoag Neighborhood Update** – Staff and the design team has met with the Lyon-Hoag CAC prior to the first meeting for the project. The meeting will be held at the Community Center on Tuesday, February 26 at 6:00 p.m. Notices will be sent out similar to the meeting last year.
- **Lime Bike** – Not able to access data.
- **Bicycle/Pedestrian Master Plan Update** – Prior to the February TSPC meeting, Alta Planning + Design will have a working session with the Community BPAC to obtain their input. Alta will provide a presentation to the TSPC with project overview, goals, process, schedule, and opportunities for the project.
- **McKinley School Turn Restriction** – Restriction signs have been installed. McKinley staff to coordinate restriction message to neighborhood and school parents.

DISCUSSION

Some of these items may have been originally presented to City staff and/or the Traffic Safety and Parking Commission as public requests or comments. Items on this list are matters that would typically be addressed by City staff on an administrative level, or are City Capital Improvement Projects. Matters that require broad public input or have a wide-spread impact are addressed as Commission “Discussion/Action Items” (TSPC Agenda Item 6).
