COMPLETED PROJECTS

**CALIFORNIA DRIVE COMPLETE STREETS, CITY PROJECT NO. 84540**

With the increase in traffic and bicyclists using California Drive, specifically north of Broadway, the community raised concerns about safety along the corridor.

California Drive Roundabout Project

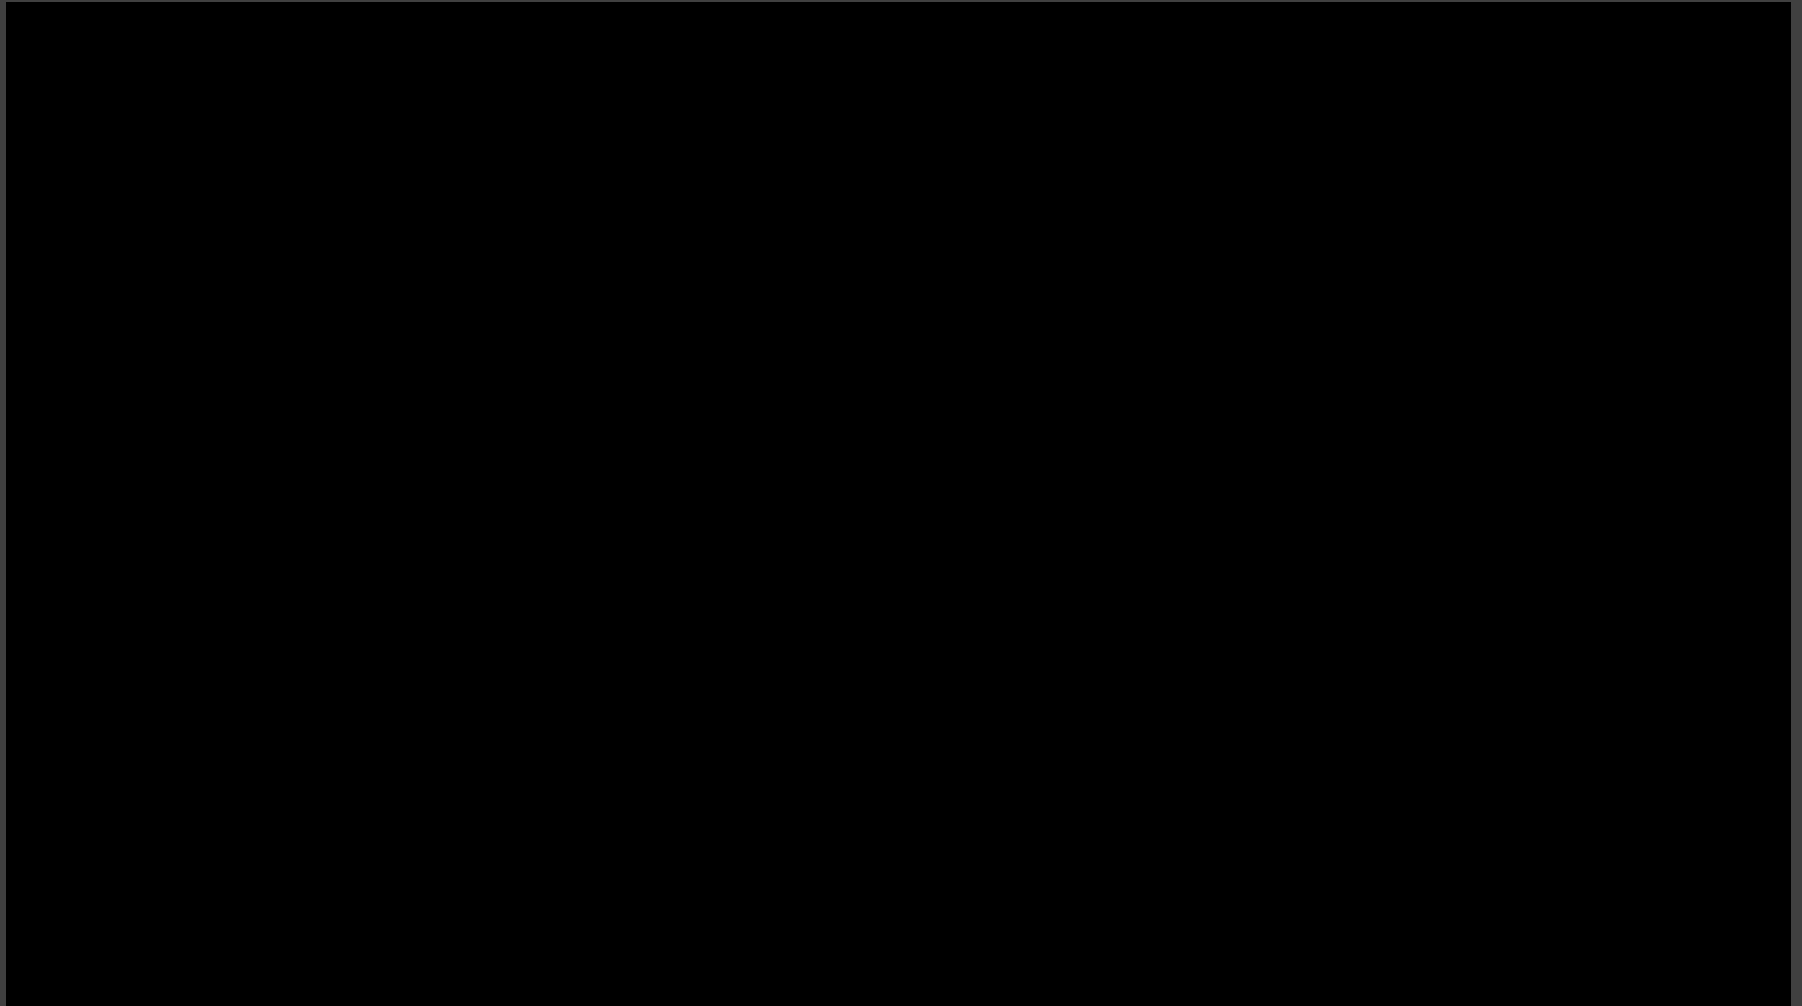

Project Update

Stage 4, the final phase of the California Drive Roundabout project is underway!

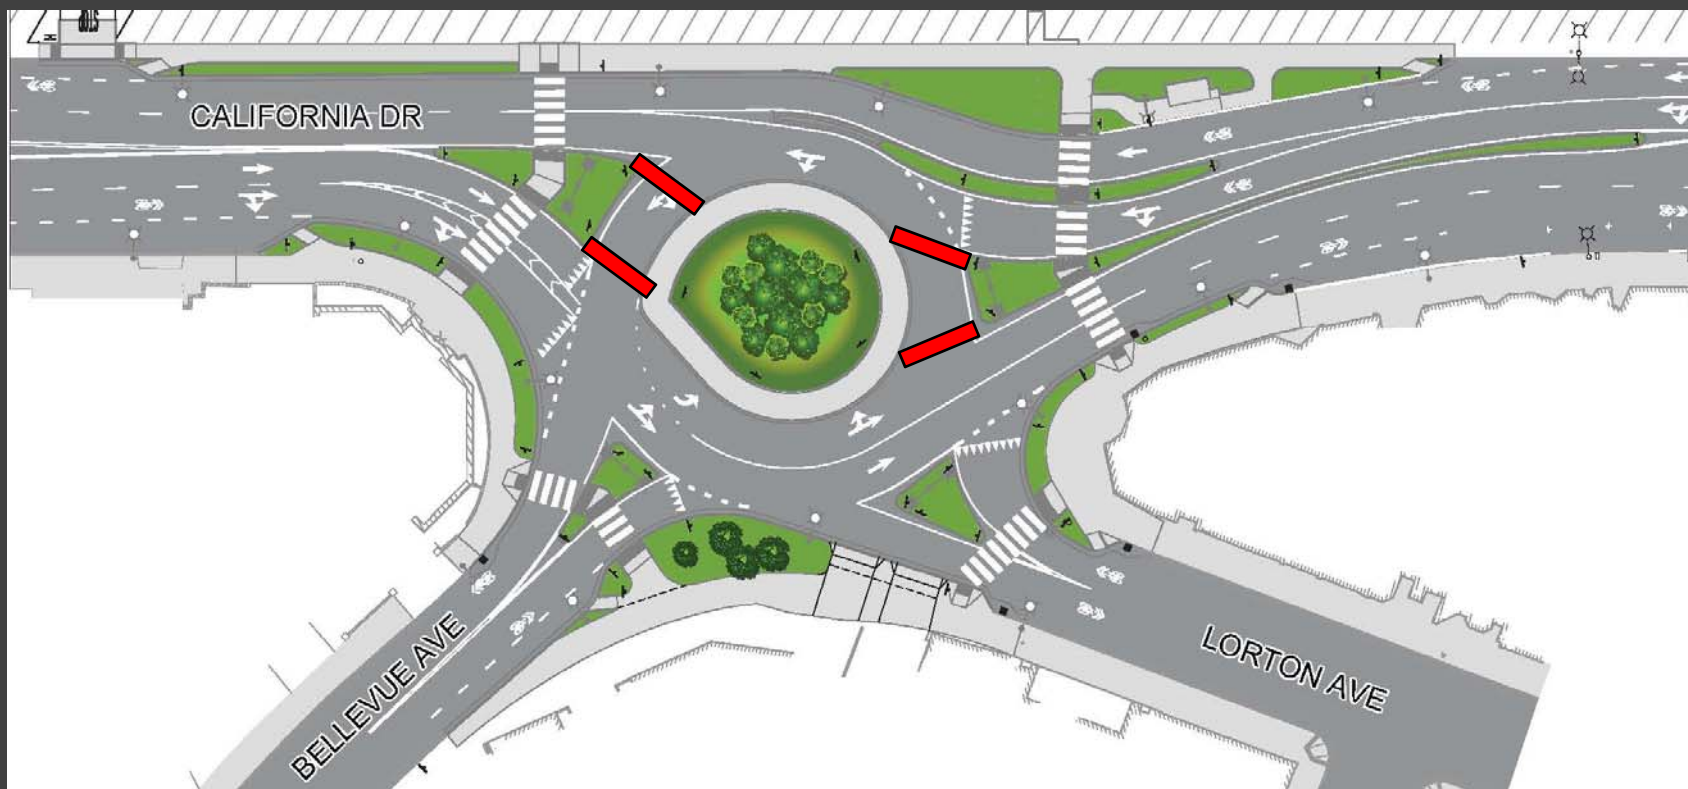

Roadway resurfacing operations for the California Drive Roundabout Project were postponed due to recent unexpected cold weather and low temperatures. Roadway resurfacing requires a minimum temperature to achieve ideal results. Warmer temperatures are anticipated in the coming weeks and will allow the final roadway resurfacing

# Discussion

---

# Update

- Two lanes opened in each direction (Starting April 11)
- Ribbon Cutting Ceremony on April 17 at 11 AM in Lot O
