

STAFF REPORT

AGENDA ITEM NO: 7.a

MEETING DATE: August 8, 2019

To: Traffic Safety and Parking Commission

Date: August 8, 2019

From: Andrew Wong, Senior Engineer

Subject: Engineering Division Reports/Public Works Update

RECOMMENDATION

Staff recommends that the Commission receive a presentation by staff providing an update on various Public Works – Engineering projects and activities.

BACKGROUND

- **Bicycle/Pedestrian Master Plan Update** – The data collection period has ended. The data is being reviewed and will be presented to the community on October 8. This will be the second community meeting, and will again be at the Recreation Center.
- **TDA Article 3 Grant** – The application was submitted on July 25. The Community BPAC provided a video for inclusion with the application.
- **Broadway Grade Separation** – A community meeting is tentatively scheduled for Wednesday, September 25. At this meeting an update of the project will be presented to the community. At their July 11 Board meeting, the SMCTA Board approved \$18.3 MIL for final design of the project. The meeting was attended by Mayor Colson, City Manager Goldman, and Director Murtuza.
- **Lots F and N Construction Update** – October is the anticipated construction start date for the parking structure, and is expected to last 12-18 months. Construction on the affordable housing is slated for April 2020. The Sub-committee met last week to discuss the project.
 - Council to enter into agreement with Caltrain to lease 38 parking spaces in Lot O.
 - Council to review valet-assist program, including vendors.
 - If approved, anticipated implementation of program in late-September.
 - Request for \$20K budget for transit incentives program. Specifics of program to be determined at a later date.
- **Old Bayshore Highway Corridor Study** – Staff met with design team on July 31. The

team is working towards a community meeting later this year.

- **300 Burlingame Point Traffic Impacts** – The existing portion of Airport Boulevard around the site to be permanently closed sometime in mid-October. The new roadway through the site will be at a reduced capacity as improvements will not be completed.
- **TSPC Priority List (revised August 2019):**

TSPC Led Effort

DISCUSSION

Some of these items may have been originally presented to City staff and/or the Traffic Safety and Parking Commission as public requests or comments. Items on this list are matters that would typically be addressed by City staff on an administrative level, or are City Capital Improvement Projects. Matters that require broad public input or have a wide-spread impact are addressed as Commission "Discussion/Action Items" (TSPC Agenda Item 6).
