**CITY PROJECT NOS. 83390 & 84820**

**WHEREAS**, on May 23, 2019 the City issued a notice inviting sealed bids for the 1740 Rollins Road and 842 Cowan Road Pump Station Upgrades, City Project Nos. 83390 & 84820; and

**WHEREAS**, on July 18, 2019, all bid proposals were opened before the City Clerk and representatives of the Public Works Department; and

**WHEREAS**, the City received two bid proposals in the amounts of \$5,148,000 and \$5,613,869; and

**WHEREAS**, both bids are significantly higher than the engineer's estimate, which can be attributed to current market conditions and the specification requirements; and

**WHEREAS**, in consultation with industry experts and prospective contractors, staff recommends that value engineering be performed to change the methods of construction and project controls without adversely impacting the project quality and schedule, which may potentially lower the projects' costs.

**NOW, THEREFORE, BE IT RESOLVED, and ORDERED**, that all bids for the above-named projects are hereby rejected; all bonds and security received in connection with the bids received shall be returned to the bidders; and the Director of Public Works is authorized to perform value engineering, modify the project specifications for the work, and rebid the projects in accordance therewith.
