**Subject: Adoption of a Resolution Rejecting All Bids Received for the 2019 Sidewalk Repair Program, City Project No. 85520**

---

## **RECOMMENDATION**

Staff recommends that the City Council adopt the resolution rejecting all bids received for the 2019 Sidewalk Repair Program, City Project No. 85520, and authorize staff to update the project specifications and re-advertise the project.

## **BACKGROUND**

This year's program consists of two areas for sidewalk repairs based on identified needs and priorities. The first area is enclosed by El Camino Real, Burlingame Avenue, Rollins Road, Oak Grove Avenue and Edgehill Drive. The second area is enclosed by Hillside Drive, El Camino Real, Adeline Drive and Alvarado Avenue.

## **DISCUSSION**

The project was advertised for bids on July 1, 2019, and the bids were opened on July 24, 2019. The City received six bids ranging from \$796,775 to \$2,448,186. Guerra Construction Group is the apparent low bidder with its bid amount of \$796,775. Spencon Construction submitted the second apparent low bid in the amount of \$875,950. On July 24, 2019, Spencon Construction, Inc. submitted a bid protest, claiming inconsistencies in bidding and licensure requirements. After reviewing the bid protest and project specifications, staff recommends that the City Council reject all bids received for the project, and authorize staff to update the project specifications to address any potential inconsistencies and re-advertise the project.

## **FISCAL IMPACT**
