

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BURLINGAME AUTHORIZING A
12-MONTH PARKING AVAILABILITY PILOT PROGRAM FOR DYNAMIC WAYFINDING
PARKING SIGNAGE**

WHEREAS, there has been ongoing interest from the community to implement wayfinding signage to assist with the overall parking experience in downtown Burlingame and on Broadway; and

WHEREAS, members of the City's Traffic, Safety and Parking Commission (TSPC) and staff have been working on ideas to help alleviate the parking shortage in downtown Burlingame and on Broadway, including the implementation of dynamic wayfinding parking signage; and

WHEREAS, staff has reviewed multiple proposals and conducted interviews with firms who provide technology and communication systems that enhance a user's parking experience; and

WHEREAS, Streetline was selected as the top vendor based on their experience, equipment options, and their willingness to offer free of cost services during the pilot period of 12 months; and

WHEREAS, the 12-month pilot program will consist of the installation of pavement sensors and/or video sensors in Parking Lot C and Parking Lot Y; and

WHEREAS, the City Council is supportive of the proposed pilot project of dynamic wayfinding signage for parking availability.

NOW, THEREFORE IT IS RESOLVED, ORDERED AND FOUND by the City Council of the City of Burlingame, State of California, as follows:

1. City staff is authorized to enter into an agreement with Streetline in an amount not to exceed \$36,900 for a 12-month parking availability pilot program for dynamic wayfinding signage in Parking Lots C and Y; and
2. Upon completion of said pilot program, the City Council will determine the next steps for the City's wayfinding efforts.
