RECOMMENDATION

Staff and Youth Advisory Committee (YAC) members recommend that the Parks and Recreation Commission review the 2019-20 YAC calendar and provide suggestions for additional events/tasks.

BACKGROUND

The YAC Bylaws requires the committee members to make a presentation to the Parks and Recreation Commission and City Council twice a year between August and May to update elected and appointed City officials on YAC events and activities. The Parks and Recreation Commissioners have the opportunity to recommend to the YAC additional tasks to be completed throughout the school year.

DISCUSSION

Throughout the year, the YAC will be hosting, participating, and partnering in a series of events (Exhibit A). The YAC events serve a variety of purposes, including fundraising for the Youth Scholarship Fund and YAC Fund, as well as partnering with other City departments such as Library and Planning. YAC fundraising provides the funding necessary to put on events, purchase materials and attend trainings. YAC members also outreach to the Burlingame community throughout the year by participating in events like the Pet Parade and working alongside Moms Against Poverty wrapping gifts.

FISCAL IMPACT

There is no fiscal impact.
