The CITY COUNCIL of the CITY OF BURLINGAME ordains as follows:

Section 1. Factual Background and Findings.

WHEREAS, at its November 21, 2019 meeting, the Broadway Business Improvement District (BID) unanimously supported increasing the parking time limit from one hour to two hours on Broadway, adding an additional 24-minute meter at the 1400 block, and increasing meter rates from \$0.50 per hour to \$1.00 per hour; and

WHEREAS, staff has reviewed and supports the above proposal; and

WHEREAS, at its December 12, 2019 TSPC meeting, the Traffic, Safety, and Parking Commission (TSPC) did not support the proposal, and instead sought a more comprehensive approach to address parking along Broadway; and

WHEREAS, while the TSPC did not support the proposal as presented, they indicated support for a more comprehensive plan and studies to be done prior to implementing the two-hour time limit change; and

WHEREAS, staff has reviewed the recommendations made by the TSPC and will implement them separately as feasible; and

WHEREAS, staff recommends revising Chapters 13.40.010 Parking Meter Zones, Chapters 13.36.030 (One-Hour Parking), and 13.36.040 (Two-Hour Parking) of the Burlingame Municipal Code to increase the parking duration and parking meter rates along Broadway; and

WHEREAS, while reviewing the Burlingame Municipal Code, staff discovered that the parking restriction along Burlingame Avenue from El Camino Real to California Drive was shown as one hour, and staff recommends that the City Council update the Code to include this section of Burlingame Avenue as a two-hour restriction, consistent with the plans developed as part of the Burlingame Avenue improvement project.
