**WHEREAS**, California has a large percentage of individuals that are considered traditionally hard to count; and

**WHEREAS**, there are over 100 languages spoken in the County; and

**WHEREAS**, 34.8 percent of residents in the County are foreign born; and

**WHEREAS**, the data collected by the decennial census determines the number of seats each State has in the United States House of Representatives and is used to distribute billions of dollars in Federal funds to state and local governments; and

**WHEREAS**, the data is also used in the redistricting of state legislatures, county boards of supervisors, and city councils; and

**WHEREAS**, California receives nearly \$77,000,000,000 in Federal funding that is allocated, in part, based on census data; and

**WHEREAS**, the United States Census is facing several challenges with Census 2020, including a constrained fiscal environment, rapidly changing use of technology, declining response rates, and an increasingly diverse and mobile population; thus, support from partners and stakeholders is critical; and

**WHEREAS**, a complete and accurate count of California's population is essential; and

**WHEREAS**, the decennial census is a massive undertaking that requires cross-sector collaboration and partnership in order to achieve a complete and accurate count; and
