Subject: Consideration of an Appointment to the Storm Drain Citizen's Oversight Committee

RECOMMENDATION

Staff recommends that the City Council make an appointment to fill one of two vacancies on the Storm Drain Citizen's Oversight Committee or take other action.

BACKGROUND

The vacancies are due to the resignation of Rosalie O'Mahony and the term expiration for Kevin Osborne. The vacancies were publicized in the San Mateo Daily Journal on March 22 and April 5, and on multiple occasions in the City's eNews. The City received two qualified applications after extending the deadline to May 10, 2021. Unfortunately, prior to the interviews, one applicant withdrew their application. As a result, the City Council interviewed Michael Barber on June 9, 2021. If appointed, Michael Barber's term will be for four years, ending on June 21, 2025. Staff will advertise for the remaining vacancy and return to City Council accordingly.

FISCAL IMPACT

None.
