

# STAFF REPORT

AGENDA ITEM NO: 7.c

MEETING DATE: August 14, 2025

**To: Traffic Safety and Parking Commission**

**Date: August 14, 2025**

**From: Andrew Wong, Senior Engineer – (650) 558-7230**

**Subject: Engineering Division Reports/Public Works Update**

---

## **RECOMMENDATION**

Staff recommends that the Commission receive an update on various Public Works – Engineering projects and activities.

## **BACKGROUND**

- **Vision Zero Update** – The Vision Zero Project has completed its first phase consisting of data collection and public outreach. In a 3+ month period, over 250 participants contributed more than 650 responses to the interactive Online Map Survey with an additional 200 participants during pop-up events at the Farmer's Market and Burlingame High School. The project team also held 7 meetings with the Citizen's Advisory Committee, Project Task Force, TSPC, and City Council. A progress report is scheduled to be presented to the City Council on September 2nd as the project enters into the second phase consisting of Draft Plan and Priority Location Development.
- **Accelerated Mobility Plan (AMP)** – CityThreads to make a presentation related to the next phases to City Council. This will include potential options and costs related to those phases. City staff to provide an update regarding efforts of other agencies who have previously participated in an AMP.

## **DISCUSSION**

Some of these items may have been originally presented to City staff and/or the Traffic Safety and Parking Commission as public requests or comments. Items on this list are matters that would typically be addressed by City staff on an administrative level or are City Capital Improvement Projects. Matters that require broad public input or have a wide-spread impact are addressed as Commission "Discussion/Action Items" (TSPC Agenda Item 6).
