- Custodian Mark Kott's last day was April 17th – Mark began working here in 1987 and transitioned to fulltime employment in 2014. We wish him well in his retirement.

BUILDINGS UPDATE:

Main: Elevator upgrade is making headway – TKE assessments of the public elevator underway.

Easton: HVAC update – TBD

PLP/PLS: Governor's budget will again be tight this year with CLSA funds possibly funded at only 50%. This may not be a great stressor for PLS and Burlingame but for many other Library jurisdictions in northern and rural parts of California it could be devastating.
