

STAFF REPORT

AGENDA ITEM NO: 7.c

MEETING DATE: February 12, 2026

To: Traffic Safety and Parking Commission

Date: February 12, 2026

From: Andrew Wong, Senior Engineer – (650) 558-7230

Subject: Engineering Division Reports/Public Works Update

RECOMMENDATION

Staff recommends that the Commission receive an update on various Public Works – Engineering projects and activities.

BACKGROUND

- **El Camino Real Renewal** –Stage 1 of the project continues with tree removal operations and full closures of ECR. For February Carmelita will be one of the detour routes with the following segments of ECR closed:
 - Week of 2/9-2/13 – Carmelita to Edgehill
 - Week of 2/16 – 2/20 (Ski Week) – Carmelita to Floribunda
 - Week of 2/23-3/6 – Carmelita/Forest View to Howard. With this detour, the intent is keep Floribunda, Oak Grove, Burlingame, and Howard open for through traffic.

The above operations are expected to continue until May 2026.

DISCUSSION

Some of these items may have been originally presented to City staff and/or the Traffic Safety and Parking Commission as public requests or comments. Items on this list are matters that would typically be addressed by City staff on an administrative level or are City Capital Improvement Projects. Matters that require broad public input or have a wide-spread impact are addressed as Commission “Discussion/Action Items” (TSPC Agenda Item 6).
