

Occidental Traffic Calming Improvement

Successful Completion

In record time and under budget

Resident Feedback

- “Thank you again. The team was terrific in getting the work done. The street looks great, and I'm looking forward to seeing the positive effects of this change.”
- “I appreciate the constant communication on this and the follow-up. Thanks!”
- “The traffic calming project is a great improvement! crossing occidental and ralston feels so much safer. Please extend our gratitude to your team. I am impressed with the communication, speed and efficiency of the traffic calming installation.”
- “The work looks great!!!”

Resident Feedback

- “As a resident at --- Occidental, I have to say this is a project that was extremely well done. It looks incredible and is already having a pronounced calming effect on traffic through the Occidental/Ralston intersection. THANK YOU!!”
- “Great job! We were impressed by how quickly and efficiently the work was done.”
- Thank you a million times. The situation is so much better. You all did a great job.
