

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BURLINGAME APPROVING THE  
PROCUREMENT OF ONE REPLACEMENT WATER CHECK VALVE, FOUR REBUILD KITS, AND  
ASSOCIATED SETUP SERVICES FOR THE TROUSDALE PUMP STATION FROM CTI  
CONTROLTECH IN AN AMOUNT NOT TO EXCEED \$133,256**

**WHEREAS**, the City of Burlingame Public Works Department's Water Division has operated and maintained the Trousdale Pump Station since 2009; and

**WHEREAS**, the Trousdale Pump Station serves a large number of customers on a daily basis, which has caused normal wear and tear on the pump station's water hydraulic damper check valves (check valve); and

**WHEREAS**, City staff recommends the replacement of one water check valve and the purchase of four rebuild kits to ensure the continuity of water service to the community; and

**WHEREAS**, the Public Works Water Division solicited quotes from CTi Controltech as they are the only authorized dealer and distributor for Adams Valves in Northern California; and

**WHEREAS**, CTi Controltech representatives shall provide the requested water check valve, four rebuild kits, as well as setup services for the aforementioned items; and

**WHEREAS**, there are adequate funds available in the FY 2025-26 Water Operations budget to cover the procurement of the new water check valve, rebuild kits, and associated setup services.

**NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF BURLINGAME  
AS FOLLOWS:**

1. The City Council hereby approves the procurement of one replacement water check valve, four rebuild kits, and associated setup services for the Trousdale Pump Station from CTi Controltech in an amount not to exceed \$133,256.
